HAKKIMIZDA / ABOUT US

2000'li yılların başında unlu mamuller sektöründe "Önce insan sağlığı" sloganı ile ve ürettiği her ürünü özel numune çalışması edası ile üreten, yeniliklerin öncüsü, rakiplerini takip eden değil takip edilen, sektördeki birçok ürün çeşidini müşterimiz ile ilk tanıştıran, ürün çeşitliliği ve kalite anlayışı ile ilkelerinden taviz vermeden ilk günü heyecanla ve titizlikle 2020 yılında %100 Türk sermayesi ile kurulmuş olan PERSAN Unlu Mamuleler ÜMRAN, BARLEY COOKIES, PASPAYEM ve HURMY sağlıklı atıştırmalıklar markaları ile üretimimizi İstanbul Sultanbeyli Aytop Gıda Sitesinde sürdürmekteyiz.

Persan Unlu Mamuller olarak market sektörü, bakkallar, fırınlar, kafeler, pastaneler, oteller, tekeli bayileri, düğün salonları, kantinler, şarküteriler, gurme noktalar, yemekhaneler, e-ticaret siteleri, dünya pazarında ihracat yapıyoruz. Ülkemize katma değer sağlayarak, Klasik kurabiye çeşitleri, Special kurabiye çeşitleri, Butik kurabiye çeşitleri, Dolgulu kurabiye çeşitleri, Sağlıklı atıştırmalık grupları, Glutensiz ürün çeşitleri, Vegan ürün çeşitleri, Şeker ilavesiz ürün çeşitleri, Galeta çeşitleri ve Gevrek çeşitlerini farklı ambalaj sunumlarımız ile siz değerli müşterilerimizin beğenisine sunmaktayız.

PERSAN Unlu Mamuller fabrikası olarak itina ile birinci sınıf ve marka değeri olan hammaddeleri, yılların deneyimi ile birleştirip, yüksek teknolojiye sahip olan makine parkımızda işleyerek, katkı ve koruyucu maddeler kullanmadan kendimize özel teknikler ile üretilen itina ile gerçekleştirilen paketleme aşamasından sonra sahip olduğumuz ISO 22000:2018 ve HALAL belgeleri standartlarında müşterilerimizin beğenisine sunmaktayız.

PERSAN Unlu Mamuleler fabrikası olarak, kaliteli kurabiye ve sağlıklı atıştırmalıklar tarifini şöyle yapmaktayız; Ağızınıza attığınızda dudaklarınızı buruşturmayan, damağınızda yağ tabakası oluşturmayan, boğazınızı ve genzinizi yakmayan, yediğinizde yutmak için sıvı ihtiyacı duyulmayan, midenizi ekşitmeyen, sürekli olarak tüketme isteği duyulan, her bir ürünün ayrı lezzet farklılığı olan, koruyucu ve lezzet artırıcı kimyevi maddeler eklenmemiş, göz zevkinize hitap eden, kaliteli ürünleri ekonomik olarak tüketicilere, sürdürülebilir hizmet ve kalite anlayışı ile sunulabilen atıştırmalıklar çeşitleridir.

PERSAN sürekli iyileştirme ve maksimum kalite ve zengin ürün çeşitliliği ile uluslararası standartlarda üretim yapmaktadır. Teknolojimiz ve gelişen sistemimiz kurumsal yapımızın vazgeçilmez bir parçasıdır. Alanında son derece profesyonel ve deneyimli ekibimizle PERSAN Unlu Mamulleri her geçen gün daha üst seviyelere çıkartmaktadır.

PERSAN Unlu Mamuller olarak; Dün nerede idik, bugün nereye geldik ve yarın nerede olacağız sorularını sürekli olarak kendimize sorarak nesilden nesile var olabilmek için önce insan, hizmet ve kalite anlayışının sürdürülebilir olması adına ilkelerinden taviz vermemektedir.

Müşteri odaklı bir misyonu ile PERSAN Unlu Mamuller olarak üretim ve hizmet anlayışını müşterilerimizin beklentisini en hızlı şekilde karşılamayı kendine hedef belirleyerek sürekli kendini geliştiren, personelini sürekli olarak eğitime ve yeniliğe zorlayan, gelişen teknolojiyi yakından takip ederek modern üretim tesisini sürekli güncelleyen genç ve dinamik kadro ile hizmet etmeye devam ediyor olacağız...

At the beginning of the 2000s, in the bakery products sector, with the slogan "Human health first" and producing every product it produces with a special sample study, pioneer of innovations, followed not following its competitors, introducing many product types in the sector to our customers for the first time, product variety and quality understanding We continue our production in İstanbul Sultanbeyli Aytop Food Complex with the brands of PERSAN Bakery ÜMRAN, BARLEY COOKIES, PASPAYEM and HURMY, which was established in 2020 with the excitement and meticulousness of the first day without compromising its principles, with 100% Turkish capital.

As Persan Bakery Products, we export to the market sector, grocery stores, bakeries, cafes, patisseries, hotels, monopoly dealers, wedding halls, canteens, delicatessens, gourmet spots, dining halls, e-commerce sites and world markets. By providing value to our country, we offer variety of Classic cookies, Special cookies, Boutique cookies, Filled cookies, Healthy snacks, Gluten-free products, Vegan products, Sugar-free products, Breadcrumbss and Crispys with our different packaging presentations. As the PERSAN Bakery Products, we carefully combine first class and brand value raw materials with years of experience, process them in our high technology machine park, produce with our own special techniques without using additives and preservatives and after the packaging stage we present our products to our precious customers under our verified ISO 22000:2018 and HALAL certificates.

We make the recipe for high quality cookies and healthy snacks as follows; When you put it in your mouth, it does not wrinkle your lips, does not form a layer of fat on your palate, does not burn your throat, does not need liquid to swallow when you eat, does not make your stomach sour, makes you want to consume it constantly, each product has a different flavor, no preservative and flavor-enhancing chemical substances are added, these are the types of snacks that can be offered to consumers economically, with sustainable service and quality understanding. PERSAN manufactures at international standards with continuous improvement, maximum quality and rich product variety.

Our technology and developing system are an indispensable part of our corporate structure. With our highly professional and experienced team in the field, PERSAN Bakery Products is taking it to higher levels day by day.

As PERSAN Bakery Products; By constantly asking ourselves the questions of where we were yesterday, where we are today and where we will be tomorrow, we do not compromise on our principles for the sustainability of human, service and quality understanding in order to exist from generation to generation.

With a customer-focused mission, PERSAN continues to serve with a young and dynamic staff that constantly improves itself by setting the target to meet the expectations of our customers in the fastest way, forcing its personnel to continuously train and innovate, closely following the developing technology and constantly updating its modern production facilities...
